Australian Standard 3959:2018 Seminars

The National Construction Code 2019 is set to be adopted in Tasmania on 1 May 2019 and will reference the new edition of AS 3959 Construction of buildings in bushfire-prone areas (note that AS 3959-2009 is still applicable until the Director’s Determination – Requirements for Building in Bushfire-Prone Areas is updated).

Bushfire hazard practitioners are advised to obtain a copy of the new Standard and familiarise themselves with the changes ahead of its introduction.

Tasmania Fire Service will also hold a number of seminars in May to discuss the new edition. These are open to anyone involved in the building for bushfire industry.
