

TASMANIAN FIRE BRIGADES CHAMPIONSHIPS ASSOCIATION

TREASURER'S REPORT
2016

Financially the association has performed well in 2016. Sponsorship funding was secured from our loyal and ongoing corporate partners including Bupa, Isuzu Australia, Chubb, FRM, Draeger and PT Hydraulics. New sponsors who came on board for the 2016 Championships were LHD and On Scene First Aid.

In addition to this fantastic financial support we also received in-kind donations from SPT Security and Tassie Instant Marquee's in the form of significant discounts on services provided. On behalf of the Executive Committee I would like to thank these businesses for their ongoing commitment to the Association and our State Firefighter Championships, as without them it would be very difficult to conduct such a significant event each year. I would like to take this opportunity to seek your assistance in sourcing new corporate partners to come on board for the 2017 Championship. Please contact the Executive Committee if you have any leads and one of the team will follow up.

The Executive Committee has tried to keep costs as minimal as possible to guarantee a cost-effective outlook in the changing times for the fire service moving forward. Recently we had the financial transactions for the 2015/16 year independently audited, which balanced to the cent.

In closing, I would like to thank the committee and the member's association for allowing me the opportunity to serve as Treasurer for the past five years. It has been a privilege to be on such a committee and I wish the Association and the new Treasurer all the best in the future and look forward to supporting on the side lines. Maybe....

Ben Dick – Treasurer
